## LIFE GUARD™ Battery Protector

### DESCRIPTION

Acid fumes escaping from the battery attack bare metal terminals, cable connectors, clamps, etc. forming corrosion that sucks power from the battery and eventually leads to a dead battery. Life Guard™ stops this destructive process by eliminating corrosion build-up. Just spray on this distinctive purple coating to seal and protect batteries for months. Remains flexible at low temperatures and will not crack, chip or peel. Maintain full power and reduce voltage loss. Improves electrical contact.

### USES

Prevent Corrosion Build-Up On: • Terminals • Cable Connectors • Clamps Battery • Boxes

### DIRECTIONS

1. SHAKE CAN WELL BEFORE USING. 2. NEW BATTERIES: Hold can 10-12 inches from areas to be treated. Spray Life Guard™ on battery posts, cables and carrier. For best results, spray two thin coats on terminals. To ensure proper current flow, be sure terminals are in place prior to treating. 3. OLDER BATTERIES: Use battery cleaner such as WellWorth's Kleen Seek™ to completely remove any corrosion build-up first. After all surfaces are clean, follow the same procedure for NEW BATTERIES.

### STORAGE

Do not store in temperatures above 120° F (50° C). Do not puncture, incinerate or burn. Keep away from heat, sparks or open flame.

### PACKAGING

# 3003 - 16 oz.  
 Aerosol Can  
 12 Per Case

### SPECIFICATIONS

FLASH POINT : Propellant; -40°F, Product; -4°F  
 EVAPORATION RATE : Greater Than 1  
 (Water = 1)  
 COLOR : Purple Viscous Liquid  
 ODOR : Characteristic Solvent Odor  
 SOLUBILITY IN WATER : Negligible

### HMIS HAZARD RATING

0-Least	A-Goggles	HEALTH	1
1-Slight	B-Goggles, Gloves	FLAMMABILITY	3
2-Moderate	C-Goggles, Gloves, Protective Wear	REACTIVITY	0
3-High		PERSONAL PROTECTION	A
4-Extreme			

### FIRST AID MEASURES

EYE CONTACT: Wash eyes with fresh water. If irritation continues, contact a physician. SKIN CONTACT: Wash skin with soap and fresh water. If irritation continues, contact a physician. INHALATION: Remove to fresh air. Give oxygen. Contact a physician. INGESTION: Do not induce vomiting-gastric lavage. Contact a physician. ChemTrec (USA) 800-424 9300.
