LASER™ Space Age Penetrating Oil

DESCRIPTION

Like a laser, pin-point spray head transmits a concentrated blend of pure penetrating power that busts loose rusted bolts, nuts, etc. fast. Laser’s unique climbing action drills beyond tough rust and into the tightest areas to attack corrosion from all angles. Laser™ can also be used to displace moisture on motors and equipment. In addition, Laser™ leaves behind a protective shield and helps prevent future rust and corrosion. Lubricates even the most delicate mechanisms.

USES

Many Applications For: • Automotive • Farm • Marine • Home • Aircraft

DIRECTIONS

1. SHAKE CAN WELL BEFORE USING. 2. Spray Laser™ on frozen, rusted or corroded part. Allow a few minutes for the product to do its job. Tapping the part will help accelerate the penetrating action. In extremely tough situations, a second application may be needed. 3. TO DISPLACE MOISTURE: Make certain the ignition is off and cool before spraying engines or equipment. Allow a couple of minutes for “drying” action to take place before turning ignition back on.

STORAGE

Do not store in temperatures above 120°F (50°C). Do not puncture, incinerate or burn. Do not place near sources of heat.

SPECIFICATIONS

FLASH POINT : Propellant; None. Product; 53°F
EVAPORATION RATE : Greater Than
(Water = 1)
COLOR : Yellow
ODOR : Characteristic Solvent Odor
SOLUBILITY IN WATER : Nil

HMIS HAZARD RATING			
0-Least	A-Goggles	HEALTH	1
1-Slight	B-Goggles, Gloves	FLAMMABILITY	3
2-Moderate	C-Goggles, Gloves, Protective Wear	REACTIVITY	0
3-High		PERSONAL PROTECTION	B
4-Extreme			

FIRST AID MEASURES

EYE CONTACT: Wash eyes with fresh water. If irritation continues, contact a physician. SKIN CONTACT: Wash skin with fresh water. If irritation continues, contact a physician. INHALATION: Remove to fresh air. Give oxygen. Contact a physician. INGESTION: Do not induce vomiting-gastric lavage. Contact a physician. ChemTrec (USA) 800-424 9300.
