

Bead It!™ SILICONE GASKET MAKER (STANDARD) Clear, Black, Blue

DESCRIPTION

Here is the fast, easy way to dispense RTV silicone adhesive sealant. With the touch of a finger you can draw any shape or size gasket. Unique dispenser keeps product fresh longer and is more economical to use than the cartridge or tube. Bead-It skins in about 15 minutes and is completely cured in 24 hours. Product will not shrink or crack when used as directed. Not recommended to be used in direct contact with gasoline, fuel oil, caustic or acid solutions. Paint will not adhere to the silicone RTV.

USES

- All three of these RTV silicones are of the same composition. The only difference between them is in the color of the product. We have broken out the applications based on traditional use, which generally has been governed by color. However, any of these products can perform any of the following uses:
- Black and Blue RTV: oil pans, thermostat housings, water pumps, valve covers, oil pumps, timing gears, transmission pans, axle covers.
- Clear: use to seal, insulate or fix electric wiring, windshields, plumbing leaks, floor tiles, windows, gaskets, etc.

DIRECTIONS

1. Remove old gasket using a gasket remover such as WellWorth's Lift-Off™.
2. Use a non-flammable cleaner such as WellWorth's Brake Away™ Brake Cleaner to remove all oil and grease. Make certain surface is clean and dry.
3. By exerting constant pressure to the can stem with your fingers, draw an even bead of RTV silicone (1/16" to 1/8" wide) to one mating surface.
4. Using a clean dry cloth or knife, wipe away any excess RTV silicone.
5. Wait 5 minutes for bead to skin before re-assembling parts. Make sure parts are properly aligned the first time. Don't over tighten bolts.

STORAGE

Do not store in temperatures exceeding 120°F (50°C). Do not store in automobiles. Do not puncture or incinerate container.

SPECIFICATIONS

HEALTH	: 1	FLASH POINT	: 212° F / 100° C
FLAMMABILITY	: 1	EVAPORATIONRATE (Water = 1)	: N/A
REACTIVITY	: 0	COLOR	: Varies With Product
PERSONAL PROTECTION	: B	ODOR	: Acetate Acid
		SOLUBILITY IN WATER	: Less than 0.1

PACKAGING

- # 6001 Bead It!
Black 7.25 oz.
 - # 6002 Bead It!
Clear 7.25 oz.
 - # 6003 Bead It!
Blue 7.25 oz.
- 12 Per Case**
