WELLWIPE™ Concentrated Windshield Washer Anti-Freeze

North American V.O.C. Compliant
 When mixed with water at recommended proportions.

DESCRIPTION

WellWipe™ windshield washer concentrate puts you in control year round. Based on existing weather conditions you determine the amount of protection needed. For severe winter weather, WellWipe™ can be diluted to protect down to -40 F. For summer driving, add the required amount to remove bug splatter and road grime. Special cleaners help keep your windshield sparkling clean anytime of year. Larger bottle accommodates today's larger washer fluid reservoirs.

USES

- Remove road salt, bug splatter and road grime for a sparkling windshield year round.

DIRECTIONS

1. Following the mix chart below with the recommended amount of water to get the desired protection level. For 12 oz. mix ratio, refer to the back of the bottle.

Protection	WellWipe™	Water	Protection	WellWipe™	Water
-40 F	32 oz.	32 oz.	-10 F	32 oz.	64 oz.
-20 F	32 oz.	48 oz.	+5 F	32 oz.	96 oz.

Ask about our **HM208 Hydro Proportioner System** that automatically mixes water with WellWipe™ to deliver exactly the amount of protection that's needed depending upon the time of year and temperature.

NOTE: If concentrate is accidentally spilled on paint, flush immediately with water.

PACKAGING

- # 700312 - 12 oz. Bottle
24 Per Case
- # 700355 - 55 Gallon

STORAGE

Keep away from heat, sparks and open flame. Do not store in open or unlabeled containers. Do not reuse containers. Keep out of reach of children.

SPECIFICATIONS

- FLASH POINT : Product; 54 F
- EVAPORATION RATE (Butyl Acetate = 1) : 2.10
- COLOR : Blue Liquid
- ODOR : Mild Alcohol Odor
- SOLUBILITY IN WATER : Negligible

HMIS HAZARD RATING

0-Least	A-Goggles	HEALTH	3
1-Slight	B-Goggles, Gloves	FLAMMABILITY	3
2-Moderate	C-Goggles, Gloves, Protective Wear	REACTIVITY	0
3-High		PERSONAL PROTECTION	B
4-Extreme
