

Description:

Driveability problems associated with carbon build-up are quickly and simply resolved with MASTER BLASTER™. Especially recommended for finely tuned fuel injected engines. Equally effective as a top engine cleaner for standard engines. Driveability problems such as knocking, pinging and after-dieseling are immediately improved as MASTER BLASTER™ disintegrates carbon deposits from piston crowns, cylinder heads and combustion chamber.

North American  Formula Available

MASTER BLASTER™ Intake Valve Cleaner

Directions:

1. Start engine and bring up to operating temperature.
2. Adjust engine idle to about 500 RPM and remove PCV valve from engine. If PCV is screwed into the engine, disconnect hose from PCV valve.
3. Attach snorkel to MASTER BLASTER™ can and spray through the PCV valve or disconnected hose for 3 minutes. When spraying cleaner through hose, RPM'S may have to be increased. Adjust accordingly.
4. Turn engine off and replace PCV valve or hose. NOTE: To clean carburetor and combustion chamber, have warm engine at about 750 RPM. Remove air cleaner and spray entire can down the throat of the carburetor, making certain to clean all components. Shut off engine for 10 minutes to allow the product to do its work. To complete the job, start the engine and blow out deposits.

Uses:

Cleans:

- Fuel Injectors
- Intake Valves
- Combustion Chambers

Packaging:

- #1034 - 20 oz. Aerosol Can.....12 per case
- #1062 - 6 oz. Aerosol Can.....12 per case
- VW 1 K Kit - MASTER BLASTER™ (#1062), POWER UP™ (#8003), TOP SHOT™ (#1059)

For complete product specifications, review the product SDS at wellworthproducts.com.

Storage:

Do not store in temperatures above 120°F (50°C). Do not puncture, incinerate or burn. Keep away from heat, sparks or open flame.

First Aid Measures:

- EYE CONTACT: Wash eyes with fresh water. If irritation continues, get medical attention.
- SKIN CONTACT: Wash skin with fresh water. If irritation continues, get medical attention.
- INHALATION: Remove to fresh air. Give oxygen. Get medical attention.
- INGESTION: Do not induce vomiting-gastric lavage. Get medical attention.
