

POWERUP™ FUEL SYSTEM CLEANER

POWERUP™ is a powerful one-shot cleaner for intake valves, fuel injectors and combustion chambers. The concentrated formula dissolves tough deposits, protects the fuel system against rust and corrosion, and cleans fuel sender deposits.

Directions:

Add one bottle, 12 oz., of POWERUP™ to fuel tank. 12 oz. treats up to 50 gallons. For best results, add POWERUP™ when you will be driving non-stop at highway speeds for at least 20 minutes. Contains no harmful alcohols, will not harm catalytic converters or oxygen sensors.

Product Number and Packaging:

#8003 - 12 fluid oz.....24 per case

For complete product specifications, review the product SDS at wellworthproducts.com.

Storage:

Do not store in temperatures above 120°F (50°C). Keep away from heat, sparks or open flame.

First Aid Measures:

- EYE CONTACT: Flush with large amounts of cool water for 15 minutes. If irritation persists, get medical attention.
- SKIN CONTACT: Wash with soap and water and rinse thoroughly. Immediately remove contaminated clothing and launder before reuse. Discard shoes and other leather articles saturated with the material.
- INHALATION: Remove person to fresh air. If breathing is difficult, get medical attention.
- INGESTION: Do not induce vomiting. Give water or milk to dilute, get medical attention.
