

FOAMING SURFACE CLEANER

HARD SURFACE CLEANER AND DEGREASER

A foaming degreaser/cleaner available in two formulas: original pine and citrus fortified with D-Limonene. Both products instantly clean and degrease a variety of soils, including dirt, oil and grime and hold them in suspension on any horizontal or vertical vinyl, plastic or hard surface. Biodegradable formula is non-corrosive, non-caustic and contains no CFC's.

Directions:

1. Shake well, spray SURFACE CLEANER on area to be cleaned. On large surfaces, work in 2 foot square sections.
2. Let cleaner set for about a minute to allow foaming action to work. On porous or textured surfaces, vinyl and plastic surfaces, use a brush to help loosen ground-in dirt.
3. Wipe clean with a damp cloth or sponge and buff dry with another soft cloth.
4. When working outdoors on large surfaces, flush cleaned area with plenty of fresh water and then proceed to next section.

CAUTION: If full strength surface cleaner gets on car finish, hose off immediately. Don't let surface cleaner sit on convertible rear windows.

Product Number and Packaging:

- #1005 - Net wt. 18 oz. V.O.C. Aer.....12 per case
- #1011 - Net wt. 18 oz. V.O.C. Aer.....12 per case

For complete product specifications, review the product SDS at wellworthproducts.com.

Storage:

Do not store above 120°F (50°C). Do not puncture, incinerate or burn can. Do not place near sources of heat.

First Aid Measures:

- EYE CONTACT: Wash eyes with fresh water. If irritation continues, get medical attention.
- SKIN CONTACT: Wash skin with fresh water. If irritation continues, get medical attention.
- INHALATION: Remove to fresh air, give oxygen.
- INGESTION: Do not induce vomiting-gastric lavage. Get medical attention.
