

A2Z™

ALL-PURPOSE LUBRICANT

A2Z™ is an all-purpose lubricant that lubricates metals, stops squeaks, loosens rusted parts, displaces moisture, protects and rustproofs. Excellent for displacing moisture and drying wet ignitions on all motors and equipment. Lubricates and protects electronic systems, fans, appliances, sliding metal doors and windows. Can be used wherever problems of rust, corrosion and moisture exist.

Directions:

1. **IMPORTANT:** Make certain the ignition is off and cool before spraying engines or equipment. Allow a couple of minutes for “drying” action to take place before turning ignition back on.
2. **SHAKE WELL.** Spray on surface to be treated. Use handy extension tube for hard-to-reach places or pinpoint applications.
3. **NOTE:** A2Z™ is safe on painted surfaces, plastics, glass, rubber and fabrics. Clear non-silicone, non-gummy formula is easily removed with any petroleum-based solvent.

Product Number and Packaging:

#5010 – Net wt. 14.5 oz V.O.C. Aer.....12 per case

For complete product specifications, review the product SDS at wellworthproducts.com.

Storage:

Do not store in temperatures above 120°F (50°C). Do not puncture, incinerate or burn. Do not place near sources of heat. Keep away from electrical current or battery terminals.

First Aid Measures:

- **EYE CONTACT:** Wash eyes with fresh water. If irritation continues, get medical attention.
- **SKIN CONTACT:** Wash skin with fresh water. If irritation continues, get medical attention.
- **INHALATION:** Remove to fresh air. Give oxygen. Get medical attention.
- **INGESTION:** Do not induce vomiting. Get medical attention.
