

BRAKE AWAY™

NON-FLAMMABLE BRAKE CLEANER

BRAKE AWAY's powerful spray removes brake fluid, oil, and grease from all brake parts and leaves no residue. Because BRAKE AWAY™ contains chlorinated solvents it may not be recycled with waste oil. This product is non-flammable. BRAKE AWAY™ is also an excellent cleaner for all kinds of electrical systems such as: starters, motors, generators, switches, etc.

Directions:

1. Lightly wet down surfaces to be cleaned by spraying BRAKE AWAY™ at a distance of 12-18 inches.
2. After surfaces are wet, spray BRAKE AWAY™ again liberally at 12-18 inches until parts are clean.
3. Cleaned part will air dry in a few minutes, or wipe down with a clean cloth.

TO CLEAN ELECTRICAL PARTS:

1. Make certain part is cool.
2. Liberally spray all parts and let air dry.

Product Number and Packaging:

#1039 – Net wt. 18.5 oz Aer.....12 per case

For complete product specifications, review the product SDS at wellworthproducts.com.

Storage:

Do not store above 120°F (50°C). Do not puncture, incinerate or burn. Do not place near sources of heat. Keep away from heat, sparks or open flame.
