

T-N-T PREMIUM TRUCK WASH

T-N-T PREMIUM TRUCK WASH is specially formulated for the types of soils found on tractor trailers, buses, delivery trucks, etc., due to diesel soot and extended road time. T-N-T™ is a non-caustic, heavy duty, phosphate free, biodegradable truck wash that quickly removes dirt, grime and diesel smoke. Economical to use with water dilution ratios of up to 70:1. Great for trucks, buses, boats and fleet operators. T-N-T PREMIUM TRUCK WASH is easy and safe to use for hand washing, pressure washing or automatic drive-thru applications.

Directions:

HAND WASHING: Mix 8 oz. of T-N-T for every 2 gallons of water (32:1). For exhaust stack diesel soot mix stronger if necessary. Brush on surface and allow dwell time. Rinse thoroughly.

FOR PRESSURE WASHERS OR AUTOMATIC DRIVE THRU: For best dilution ratios use the equipment manufacturer's recommendations and adjust product to meet operator's requirements.

Brush/spray on surface and allow dwell time. Rinse thoroughly.

For complete product specifications, review the product SDS at wellworthproducts.com.

Storage: Keep away from children. Store in a cool dry place. Do not allow product to freeze.

First Aid Measures:

EYE CONTACT: Rinse thoroughly with plenty of water for at least 15 minutes. DO NOT rub eyes. If irritation persists, seek medical attention. **SKIN CONTACT:** Wash off immediately with plenty of soap and water. If skin irritation persists, call a physician. **INHALATION:** Move to fresh air immediately. **INGESTION:** Do NOT induce vomiting. Seek medical attention immediately. If person is conscious, give two glasses of water to dilute the ingested material. Follow up with several glasses of fruit juice or very diluted vinegar or carbonated soda to neutralize the material.
