Storage:

Keep away from heat or flame. Do not allow product to freeze. Keep contained closed when not in use.

First Aid Measures:

- EYE CONTACT: Flush immediately with large amounts of clean water, lifting upper and lower lids occasionally. Do not rub eyes. If irritation persists, seek medical attention.
- SKIN CONTACT: Rinse area with soap and water.
- INHALATION: If breathing is difficult or irritating, move person to fresh air immediately.
- INGESTION: Do not induce vomiting. If the person is conscious, give two glasses of water followed by several glasses of fruit juice or very dilute vinegar to neutralize the ingested material. Get immediate medical attention.
