

HYDRA BEAD

READY-TO-USE HI-GLOSS DRYING AID

HYDRA BEAD™ is a hi-gloss drying aid that sprays on and sheds water quickly for fast drying action. HYDRA BEAD™ includes a special blend of synthetic oils that leave a long-lasting wax-like shine on painted surfaces, rubber and vinyl trim.

Directions:

Consult MSDS for complete safety information before using.

1. Wash vehicle with soap and water and rinse thoroughly.
2. Shake HYDRA BEAD™ well before use.
3. Apply HYDRA BEAD™ using a spray bottle over the entire vehicle, including glass surfaces.
4. Re-rinse thoroughly and dry with a towel or chamois.

NOTE: To avoid streaking do not use in direct sunlight or allow product to dry on surface.

Product Number and Packaging:

- #209832 – 1 quart
- #20981 – 1 gallon
- #20985C – 5 gallons

For complete product specifications, review the product SDS at wellworthproducts.com.

Storage:

Do not allow product to freeze. Keep container closed when not in use. Avoid sparks and open flames.

First Aid Measures:

- EYE CONTACT: Flush eyes with cool water for at least 15 minutes, or flush with a buffered eye wash solution. If irritation persists, get medical attention.
- SKIN CONTACT: Wash with soap and water. Remove clothing, wash before reuse.
- INHALATION: Remove to fresh air and ensure breathing.
- INGESTION: Drink large amounts of water or milk. Seek prompt medical attention.
