

OCTI-PLUS™

MULTI-FUNCTIONAL GAS ADDITIVE

OCTI-PLUS™ is a multi-functional gas additive that provides excellent cleaning, water removal and stabilization for all gasoline powered vehicles and equipment. It cleans carburetors, port fuel injectors, direct injection fuel systems, intake valves and combustion chamber deposits. OCTI-PLUS™ is an engine and storage tank corrosion inhibitor, inhibits bacteria and fungi growth in fuel, and slows engine oil sludge formation. OCTI-PLUS™ eliminates water problems in fuel and will disperse (eliminate) 75% of its own volume of water. EPA and CARB approved.

Directions:

To quickly clean and protect fuel system, add entire bottle before adding fuel to gas tank to ensure thorough mixing. 12 oz. treats up to 50 gallons.

For vehicle storage, add 12 oz. to each 50 gallons of fuel tank capacity. Fill tank with fuel and then run engine briefly to circulate product throughout the fuel sytem.

Product Number and Packaging:

#8056 – 12 fluid oz.24 per case

For complete product specifications, review the product SDS at wellworthproducts.com.

Storage:

Store at room temperature. Do not store near potential sources of ignition. Store in a well-ventilated area.

First Aid Measures:

- EYE CONTACT: Flush with large amounts of water for 15 minutes.
- SKIN CONTACT: Wash with soap and water. Wash clothing separately before reuse.
- INHALATION: Remove victim to fresh air.
- INGESTION: Do NOT induce vomiting. Get medical attention.
