

# UNIVERSAL POWER STEERING™ PREMIUM FULLY SYNTHETIC FLUID AND CONDITIONER

Well Worth® SYNTHETIC POWER STEERING FLUID and Conditioner is a premium quality fully synthetic fluid specially formulated to meet or exceed the warranty requirements of all major manufacturers or most automobiles and truck power steering systems. Our fluid is designed to minimize sludge and varnish deposits, eliminate squeals and provide smoother quieter performance. Well Worth® SYNTHETIC POWER STEERING FLUID resists foaming, oxidation, corrosion and rusting. This fluid provides excellent wear protection to extend power steering system life and is compatible with all power steering fluids.

### Directions:

1. Shut off engine.
2. Add POWER STEERING FLUID to specified level. Do not overfill.
3. Check reservoir regularly and refill and needed.

NOTE: Check the machine manufacturer's specifications when adding SYNTHETIC POWER STEERING FLUID during a machine flush procedure.

### Product Number and Packaging:

#8017 – 64 oz.....10 per case

For complete product specifications, review the product SDS at [wellworthproducts.com](http://wellworthproducts.com).

### Storage:

Keep containers closed when not in use. Store in a cool, well-ventilated place. Do not handle or store near heat, flame or strong oxidants.

### First Aid Measures:

- EYE CONTACT: Immediately flush eyes with cool water for at least 15 minutes. Do not let victim rub eyes.
- SKIN CONTACT: Flush with soap and water. Remove contaminated clothing, wash before reuse. If irritation persists, seek medical attention.
- INHALATION: Remove to fresh air. Get medical attention.
- INGESTION: Do NOT induce vomiting. Give water to dilute. Do not give sodium bicarbonate, fruit juices, or vinegar. Seek medical attention immediately.
