

# WELLWIPE

## WINDSHIELD WASHER FLUID

WELLWIPE™ windshield washer concentrate puts you in control year round. Based on existing weather conditions you determine the amount of protection needed. For severe winter weather, WELLWIPE™ can be diluted to protect down to -40°F. For summer driving, add the required amount to remove bug splatter and road grime. Special cleaners help keep your windshield sparkling clean anytime of year.

### Directions:

Following the mix chart below with recommended amount of water to get the desired protection level.

Note: If concentrate is accidentally spilled on paint, flush immediately with water.

Protection	WELLWIPE™	Water	Protection	WELLWIPE™	Water
-40°F	32 oz.	32 oz.	-10°F	32 oz.	64 oz.
-20°F	32 oz.	48 oz.	+5°F	32 oz.	96 oz.

**Product Number and Packaging:**  
**#700355 -55 Gallon**
