

### Description:

ONE 4 ALL™ is an all-season hi-tech treatment and conditioner that improves fuel efficiency, increases power, reduces emissions, reduces engine wear, stabilizes fuel, and eliminates the harmful effects of water in the fuel. ONE 4 ALL™ contains an organic based fuel system cleaner that can help dissolve the gum, varnish, and carbon deposits that distort fuel injector spray patterns and damage delicate injector and pump components. ONE 4 ALL™ eliminates its own volume in water (both standing and suspended) fighting against cold weather fuel system freeze up. ONE 4 ALL™ allows your engine to operate with all the power and efficiency that the manufacturer designed into it.

### Clean Diesel Additive

This diesel fuel additive complies with the federal low sulfur content requirements for use in diesel motor vehicles (on-road) and non-road engines.

## ONE 4 ALL™ All Season Diesel Fuel Treatment and Conditioner

### Directions:

For best results, use every time you fuel, adding contents to fuel tanks prior to fueling. The fueling process will ensure that complete and proper mixing takes place.

Use 8 ounces for each 250 gallons of fuel (1:4000 treatment ratio). First time users or below 0°F you can use 8 oz. for each 125 gallons to speed the cleaning process.

When operating in extreme conditions (marine, high humidity) it is acceptable to use 8 oz. per 125 gallons on a regular basis.

ONE 4 ALL™ will eliminate its own volume of water. In cold weather we suggest the use of our FREEZE FLOW™ product, in addition to ONE 4 ALL™, to prevent fuel from gelling and to improve cold weather operation.

### Uses:

- Eliminate Water
- Cetane Improver
- Stabilize Fuel and Slow Oxidation
- Clean Fuel Injectors and Pumps
- Improve Fuel Atomization for More Power, Greater Efficiency, and Reduced Emissions

### Packaging:

- #8025 - 8 oz. Bottle.....24 per case
- #8026 - 1 Gallon.....4 per case
- #8027 - 5 Gallon
- #8028 - 55 Gallon
- #8028t - 275 Gallon

For complete product specifications, review the product SDS at [wellworthproducts.com](http://wellworthproducts.com).

### Storage:

Store at room temperature. Do not store near potential sources of ignition. Store in well ventilated area.

### First Aid Measures:

- EYE CONTACT: Flush with large amounts of water for 15 minutes.
- SKIN CONTACT: Wash with soap and water.
- INHALATION: Remove person to fresh air.
- INGESTION: Do not induce vomiting. Get medical attention.

ChemTrec (USA) 800-424-9300

### HMIS HAZARD RATING

|            |                   |                           |
|------------|-------------------|---------------------------|
| 0-Least    | A-Goggles         | Health.....2              |
| 1-Slight   | B-Goggles, Gloves | Flammability.....2        |
| 2-Moderate | C-Goggles, Gloves | Reactivity.....0          |
| 3-High     | Protective Wear   | Personal Protection.....B |
| 4-Extreme  |                   |                           |
