

# EOA™ ESSENTIAL OIL ADDITIVE

EOA™ Essential Oil Additive's formula fortifies all types of quality motor oils (synthetic, standard, diesel) to maintain peak engine performance. EOA™ stabilizes oil, prevents sludge formation and keeps the entire engine and its components clean for extended engine life. Friction modifiers reduce wear on critical engine parts, to extend bearing life, quiet noisy engines and raise the thermal stability of engine oil. Use each oil change or when fluid is low.

#### Directions:

Add EOA™ to 4 or 5 quarts of motor oil at every oil change. Add to crankcase any time oil level is low to fortify the motor oil. Do not overfill crankcase.

#### Product Number and Packaging:

#8020 – 11 fluid oz.....24 per case

For complete product specifications, review the product SDS at [wellworthproducts.com](http://wellworthproducts.com).

#### Storage:

Keep containers closed when not in use. Do not handle or store near heat, flame or strong oxidants.

#### First Aid Measures:

- EYE CONTACT: If splashed into eyes, flush with clear water for 15 minutes or until irritation subsides; if irritation persists, get medical attention.
- SKIN CONTACT: In case of contact with the skin, remove any contaminated clothing and wash skin with soap and warm water. Wash clothing separately before reuse.
- INHALATION: Remove to fresh air. If unconscious, administer artificial respiration, get medical attention.
- INGESTION: If ingested get medical attention; DO NOT induce vomiting.
