

Description:

Improve your engine's performance in just one treatment with eFLUSH™. This concentrated formula safely and quickly flushes sludge and varnish deposits and other contaminants from oil passages, screens, hydraulic lifters, rocker arms and other critical engine parts. Works great in gasoline, diesel and LPG engines. Harmful crankcase deposits are absorbed and flushed out of the engine when old oil is drained. eFLUSH™ maximizes lubrication, reduces hydrocarbons and nitrogen oxide emissions. May be used alone, but for best results, recommended to be used as part of a complete treatment with an engine flush machine.

Extra Performance

eFLUSH™ Gas and Diesel Engine Oil Cleaner

Directions:

1. Add eFLUSH™ to engine oil.
2. Start engine. Run at fast idle for 10 minutes. Stop engine.
3. Drain oil. After cleaning install a new filter and fresh oil.

NOTE: This product is also formulated to work safely and effectively with engine flush equipment. Be sure to refer to your particular flush machine instructions for proper use.

For added protection, add a bottle of EOA™ oil supplement.

Uses:

- Eliminates Crankcase Deposits
- Works in Gasoline, Diesel and LPG Engines

Packaging:

- #8015 - 16 oz. Bottle.....24 per case
- #801532 - 32 oz. Bottle.....12 per case
- #801501 - 1 Gallon.....4 per case
- WW 25 K Kit - eFLUSH™, EOA™ (#8008 -11 oz.)

For complete product specifications, review the product SDS at wellworthproducts.com.

Storage:

Keep tightly closed. Keep away from heat or flame. Keep out of reach of children.

First Aid Measures:

- EYE CONTACT: Flush with water for a few minutes, thoroughly rinsing under eyelids.
- SKIN CONTACT: Wash with water immediately. Wash contaminated clothing before reuse. Get medical attention for any serious exposure to the product.
- INHALATION: Remove to fresh air. If not breathing give artificial respiration, preferably by mouth to mouth.
- INGESTION: Do not induce vomiting. If conscious give 2 glasses of water. If vomiting occurs elevate hips to avoid aspiration to lungs. Get medical attention.
