

# POWER BLITZ™

## HEAVY DUTY ALL PURPOSE CLEANER

POWER BLITZ™ is an extra-performance, water-based cleaner and degreaser that may be used safely on many interior and exterior surfaces. Biodegradable formula is concentrated and may be diluted as required to meet specific cleaning needs. Leaves a pleasant lemon scent.

### DIRECTIONS:

For hard surfaces: May be diluted up to 1:16 for satisfactory results on lighter cleaning jobs.

Spray directly on surface to be cleaned. Allow product to work for 2-5 minutes. Rinse thoroughly with fresh water.

For Rugs, Upholstery, and Cloth surfaces:

Mix 1 quart Power Blitz™ into a clean 5 gallon pail. For machine cleaning, dilute 1:1.

Direct a strong spray of water into pail (about 3 gallons of water) to develop mounds of suds. With brush or sponge, apply suds only to surface to be cleaned. For best results, brush in a circular motion. Wipe dry with a clean cloth.

### Product Number and Packaging:

#20061 - 1 gallon

#20065C - 5 gallons

#200655 - 55 gallons

For complete product specifications, review the product SDS at [wellworthproducts.com](http://wellworthproducts.com).

### Storage:

Store locked up. DISPOSAL: Dispose of contents and container in accordance with all local, regional, national and international regulations.

### First Aid:

- IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER or doctor.
- IF SWALLOWED: Rinse mouth. Do NOT induce vomiting.
- IF ON SKIN: Take off immediately all contaminated clothing. Rinse skin with water or shower. Wash contaminated clothing before reuse.
- IF INHALED: Remove person to fresh air and keep comfortable for breathing. Immediately call a POISON CENTER or doctor.
