

# SUMMIT™

## TOTAL DIESEL FUEL TREATMENT

SUMMIT™ Total Diesel Treatment is our premium year-round fuel treatment. SUMMIT™ provides a high level of anti-gelling protection, cleans fuel injectors, increases cetane, adds lubricity and removes water in all diesel fuels.

**Directions:**

SUMMIT™ is designed to be used in all diesel fuels year-round.

SUMMIT™ should be added to fuel at a ratio of 12 oz. to 50 gallons.

For cold weather operation, SUMMIT™ provides a high level of anti-gel protection. In extreme cold weather (below 0°F) it is acceptable to use a ratio of 12 oz. to 25 gallons of fuel.

To enhance proper mixing, add SUMMIT™ prior to filling fuel tank.

For complete product specifications, review the product SDS at [wellworthproducts.com](http://wellworthproducts.com).

**Storage:**

Store at temperatures above 32°F. Do not store near potential sources of ignition. Store in well-ventilated areas.

**First Aid Measures:**

- EYE CONTACT: Flush with large amounts of water for 15 minutes.
- SKIN CONTACT: Wash with soap and water.
- INHALATION: Remove person to fresh air.
- INGESTION: Do not induce vomiting. Get medical attention.
