

ENZYME ALL PURPOSE™

ENZYME ALL PURPOSE™ eliminates odors caused by dampness, mildew, mold, food, urine and organic matter. ENZYME ALL PURPOSE™ is a super-concentrated low foam, free rinsing cleaner with enzyme for quick interior and exterior cleaning and deodorizing. ENZYME ALL PURPOSE™ was developed to work with the Tornador Cleaning Tools. ENZYME ALL PURPOSE™ features special cleaning surfactants and enzymes that produce a deep penetrating cleaning action to lift dirt. ENZYME ALL PURPOSE's alkaline formulation provides outstanding interior cleaning, and removes stubborn dirt, grease, and grime fast.

Directions:

FOR EXTRACTOR APPLICATION:

Follow equipment manufacturer's recommendations.

Storage:

Do not allow product to freeze. Keep away from children.

First Aid Measures:

EYE CONTACT: Rinse eyes cautiously with lukewarm, gently flowing water for 15 minutes, while holding the eyelids open. Remove contact lenses, if present and easy to do. Take care not to rinse contaminated water into the unaffected eye or onto the face. If eye irritation persists: Get medical advice/attention.

SKIN CONTACT: Wipe off with a towel. Wash with soap and water. Get medical attention if irritation persists.

INHALATION: Remove source of exposure or move person to fresh air and keep comfortable for breathing. If breathing is difficult, trained personnel should administer emergency oxygen if advised to do so by the POISON CENTER/doctor. If breathing has stopped, trained personnel should begin rescue breathing or, if the heart has stopped, immediately start cardiopulmonary resuscitation (CPR) or automated external defibrillation (AED). If you feel unwell/If concerned: Get medical advice/attention.

INGESTION: Rinse mouth. Give two glasses of water. If you feel unwell or if concerned: Get medical attention. Do NOT induce vomiting unless under the advice of doctor or POISON CENTER. Note: Never give anything by mouth to an unconscious or convulsing victim. Keep person warm and quiet.
