

WATER BASED DEGREASER INDUSTRIAL STRENGTH CLEANER

Are you tired of using harsh chemicals that not only damage the environment but also your equipment? Look no further! Our WATER BASED DEGREASER is tough on dirt and grime but gentle on surfaces. The super concentrated, industrial-strength formula is the perfect solution for removing grease, oil, and other tough stains from machinery, floors, and walls.

Directions:

For engines and heavy equipment: Mix up to 5 parts water with 1 part product.
For general purpose and interior cleaning: Mix up to 30 parts water with 1 part product.
Application: Spray product over entire area to be cleaned, avoiding plastic and painted surfaces. Allow product to dwell several minutes. Rinse thoroughly.
NOTE: Keep off painted surfaces. Do not apply to hot surfaces.

Product Number and Packaging:

#20815C - 5 U.S. gallons
#208155 - 55 U.S. gallons

Consult SDS at wellworthproducts.com for complete safety information before using.

WARNING: May cause skin and eye irritation. May be harmful if inhaled.

PRECAUTIONS: Keep out of the reach of children. Read product label before using. Use personal protective equipment as required. Do not induce vomiting.

FIRST AID:

EYE CONTACT: Flush immediately with large amounts of clean water for a minimum of 15 minutes, lifting upper and lower lids occasionally. Do not rub eyes. If any irritation persists, seek medical attention.

SKIN CONTACT: Wash off immediately with plenty of soap and water. If skin irritation persists, call a physician.

INHALATION: If breathing is difficult or irritating, move person to fresh air immediately.

INGESTION: Do not induce vomiting. If the person is conscious, give two glasses of water to dilute the ingested material. Follow up with several glasses of fruit juice or very dilute vinegar or carbonated soda to neutralize the alkaline material. Small amounts that may have accidentally entered the mouth should be rinsed out thoroughly with water. Seek medical attention immediately.

Storage: Do not store below 32 degrees F. Do not store in direct sunlight. Keep away from heat, open flames or other sources of ignition. Keep away from children. Keep containers tightly closed.

Disposal: Dispose of in accordance with local/regional regulations.
