

ODOR MEDIC ODOR ELIMINATOR

Say goodbye to embarrassing odors and hello to fresh, clean air. ODOR MEDIC™ Odor Eliminator is specially formulated to tackle even the toughest of odors, including tobacco smoke, pet odors, food, mold and mildew. Simply mist your car's seats, seat belts, and carpets, turn on the A/C and let ODOR ELIMINATOR do its magic. Our unique formula doesn't just mask odors with a heavy fragrance – it actually eliminates them at the source, leaving behind a fresh, clean scent.

Directions:

Consult SDS for complete safety information before using. Test for color fastness in an inconspicuous area before use. Not recommended for use on suede, leather or fabrics that water spot (like silk).

1. Mist ODOR MEDIC™ on seats, headliners, seat belts and carpets.
2. Turn AC on recule and mist ODOR MEDIC™ under the dash. Product goes to work immediately to neutralize offensive odors. Continues to work long after product has dried.

ODOR MEDIC™ is a water-based, non-toxic, biodegradable and environmentally friendly formula that is not an air freshener, but an odor eliminator.

Product Number and Packaging:

#301732, quart – 12 per case

#30175C – 5 gallons

WARNING

May be harmful if swallowed. Causes eye irritation.

PREVENTION: If medical advice is needed, have product container or label at hand. Read label before use. Do not handle until all safety precautions have been read and understood. Keep only in original container. Avoid release to the environment. Use personal protective equipment as required.

FIRST AID: Read section 4 of SDS for complete first aid information. IF SWALLOWED: Call a POISON CENTER or doctor/physician if you feel unwell. Do NOT induce vomiting. IF IN EYES: Rinse continuously with water for several minutes. Remove contact lenses if present and easy to do – continue rinsing.

STORAGE: Protect from sunlight. Do not store below 32°F. Do not store in direct sunlight. Keep away from heat, open flames or other sources of ignition. Keep away from children. Keep containers tightly closed. Keep product from freezing.

DISPOSAL: Dispose of contents/container in accordance with local/regional/national/international regulations.
