

BRAKE BUDDY™

BRAKE CLEANER

WELL WORTH BRAKE BUDDY™ removes brake fluid, grease, oil and other contaminants from brake assemblies. It may be used without disassembling the brake unit. It cleans and degreases brake linings, cylinders, drums, disc brakes and other brake parts.

Directions:

- NOTE: Pre-test product compatibility with plastics and protect rubber parts from over-spray. Do not spray on painted surfaces or when surface is hot. Read entire label before using this product.
1. DO NOT apply brake cleaner to hot surfaces or while equipment is energized.
 2. Protect rubber, plastic parts and painted surfaces from product and over-spray.
 3. Position a catch basin under the work area to collect run-off during cleaning.
 4. To reduce the release of airborne particulates, wet down surfaces to be cleaned with a light coat of Brake Buddy™ at a distance of 18-24 inches. Avoid breathing dust or vapors that may become airborne.
 5. After surfaces have been wetted, spray Brake Buddy™ liberally at a distance of 12-18 inches to flush contamination from surfaces.
 6. Air dry or wipe with a clean cloth.
 7. For heavy deposits, repeat application as needed.

Product Number and Packaging: #1076 - 12 per case

CONTAINS: Acetone, Heptane

DANGER: Extremely flammable aerosol. Pressurized container: may burst if heated. Contains gas under pressure, may explode if heated. Causes skin irritation. Causes serious eye irritation. May cause drowsiness or dizziness. May be fatal if swallowed and enters airways

PRECAUTIONS: Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. Do not spray on an open flame or other ignition source. Do not pierce or burn, even after use. Wash hands thoroughly after handling. Wear protective gloves/protective clothing/eye protection/face protection. Avoid breathing dust/fume/gas/mist/vapors/spray. Use only outdoors or in a well-ventilated area.

STORAGE: Do not puncture, incinerate (burn) or store container above 122°F (50°C). Do not place near source of heat, radiator or in direct sunlight. High temperatures may cause the container to burst. Store in a well-ventilated place. Keep container tightly closed. Store locked up.

FIRST AID: IF INHALED: If inhaled, remove to fresh air. If not breathing, give artificial respiration and obtain immediate medical assistance. If breathing is difficult, give oxygen and get medical attention. Do not give adrenaline, epinephrine or similar drugs following exposure to this product. IF ON SKIN: Wash with plenty of soap and water. If skin irritation persists, get medical advice/attention. Take off contaminate clothing and wash it before reuse. IF SWALLOWED: Immediately call a POISON CENTER or doctor/physician. Do NOT induce vomiting. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention.
