

SHOP KLEEN™

MULTI - PURPOSE PARTS CLEANER

SHOP KLEEN™ is a fast-drying, multi-purpose parts cleaner that CONTAINS NO PERCHLOROETHYLENE, TRICHLOROETHANE OR METHYLENE CHLORIDE and is recyclable with waste oil and other recyclable solvents. Deluxe formula quickly dissolves grease, oil, common automotive fluids and other types of soil from metal parts. Use to clean tools, instruments and engine parts. Shop Kleen™ never leaves an oily film. Will not damage plastics, paint or rubber parts when used as directed.

Directions:

IMPORTANT: BECAUSE THIS PRODUCT IS FLAMMABLE, DO NOT SPRAY NEAR SPARKS OR OPEN FLAME OR ON HOT PARTS OR SURFACES. Aim spray at surfaces to be cleaned. Spray generously to completely flush all soils from the surface. For best results, keep can in an upright position when spraying. Cleaned surface will air dry in a few minutes or may be wiped dry with a cloth.

DANGER: Extremely flammable aerosol. Pressurized container, may burst if heated. Contains gas under pressure; may explode if heated. May be harmful if inhaled or get in contact with skin. May be harmful if swallowed. May cause drowsiness or dizziness. May cause damage to organs (liver) through prolonged or repeated exposure. Very toxic to aquatic life with long lasting effects. No smoking.

PRECAUTIONARY STATEMENTS: Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. Do not pierce or burn, even after use. Do not spray on an open flame or other ignition source. Wash skin thoroughly after handling.

IF INHALED OR SWALLOWED: Call a doctor if you feel unwell.

Product Number and Packaging:

#1042 - Large, 12 per case

#1060 - Regular, 12 per case

CONTAINS: Heptane (142-82-5) and Carbon Dioxide (124-38-9).

STORAGE: Keep in a cool dry well-ventilated place. DO NOT store in temperatures above 120°F (50° C).

FIRST AID: IN EYES: Immediately flush eyes with water for a minimum of 15 minutes keeping eyelids open. ON SKIN: Remove contaminated clothing. Wash thoroughly with soap and lukewarm water. If irritation or redness develops, seek medical attention. INGESTION: DO NOT induce vomiting. If swallowed, get medical attention immediately. INHALATION: Move victim to fresh air. If breathing has stopped, give artificial respiration. If heartbeat is absent, give external cardiac compression.
