

VERSA LUBE™ SILICONE BASED GREASE

Now, with just the touch of a finger, you can quickly and easily lubricate or seal with VERSA LUBE's™ 100% silicone-based grease. Outperforms and outlasts traditional petroleum, synthetic and lithiums. VERSA LUBE™ maintains superior lubrication and adhesion on all metal parts even when exposed to such adverse conditions as water, high heat or chemicals. Provides excellent dielectric properties, chemical and heat resistance (to 750°F), resistance to oxidation, water repellency, excellent rubber lubrication and excellent sealing properties.
