

EOA™

ESSENTIAL OIL ADDITIVE

EOA™ fortifies all types of quality motor oils (including synthetic, standard, diesel) to maintain peak engine performance. EOA™ stabilizes oil, prevents sludge formation and keeps engine and its components clean for extended engine life. Advanced zinc modifiers reduce wear and extend bearing life.

800-890-7935

www.wellworthproducts.com

Directions:

Add EOA™ to 4 or 5 quarts of motor oil at every oil change. Add to crankcase anytime oil level is low to fortify the motor oil. Do not overfill crankcase.

Product Number and Packaging:

#5020 – 24/CS
