

# OCTI-PLUS™

## MULTI-FUNCTIONAL GAS ADDITIVE

OCTI-PLUS™ Multi-Functional Gas Additive provides excellent cleaning, water removal and stabilization for all gasoline-powered vehicles and equipment. It cleans carburetors, port fuel injectors, direct injection fuel systems, intake valves and combustion chamber deposits. OCTI-PLUS™ is an engine and storage tank corrosion inhibitor that also inhibits bacteria and fungi growth in fuel and slows engine oil sludge formation. Premium formula completely eliminates water problems in fuel through dispersion technology. OCTI-PLUS™ will eliminate 75% of its own volume of water.

### Directions:

To quickly clean and protect fuel system, add entire bottle before adding fuel to gas tank to ensure thorough mixing. 12 oz of OCTI-PLUS™ treats up to 50 gallons of fuel.

For storage, add 12 oz to each 50 gallons of fuel tank capacity. Fill fuel tank and then run engine briefly to circulate product throughout the system.

### Product Number and Packaging:

#8056 – 12 oz 24/CS

**DANGER:** Flammable liquid and vapor. Keep away from heat or flame. Harmful if swallowed or contact with skin. Causes eye and skin irritation. EYE CONTACT: Flush eyes with plenty of water for 20 minutes. INHALATION: Move to fresh air and keep in comfortable breathing position. SKIN CONTACT: Wash with plenty of soap and water. Wash contaminated clothing before reuse. INGESTION: Get medical attention immediately. Do not induce vomiting. Give small quantities of water to drink. Stop if exposed person feels sick as vomiting may be dangerous.
