

# WIPE OUT+ ODOR ELIMINATOR

WIPE OUT+™ odor eliminator is an easy-to-use liquid spray that quickly removes offensive odors caused by bacteria, mold or mildew. Simply spray or mist lightly onto carpeting, upholstery, floor mats, under seats and in air vents. For truly heavy duty foul odors, WIPE OUT+ can be used at full strength, or dilute 1:1 for everyday use.

2. Spray or mist lightly onto carpeting, under seats, upholstery and in air vents.

### Product Number and Packaging:

#20041 – 1 gallon (4/CS)

#20045C – 5 gallon cube

### DANGER:

**Causes serious eye damage. May cause an allergic skin reaction.**

PRECAUTIONARY STATEMENTS/PREVENTION: If medical advice is needed, have product container or label at hand. Keep out of reach of children. Read label before use. Wear protective gloves, protective clothing, eye protection and face protection. Avoid breathing vapors or spray. Contaminated work clothing should not be allowed out of the workplace.

### FIRST AID:

**INGESTION:** Rinse mouth. Give two glasses of water. If you feel unwell or if concerned: Get medical attention. Do NOT induce vomiting unless under the advice of doctor or POISON CENTER. Note: Never give anything by mouth to an unconscious or convulsing victim. Keep person warm and quiet.

**IF IN EYES:** Rinse eyes cautiously with lukewarm, gently flowing water for 15 minutes, while holding the eyelids open. Remove contact lenses, if present and easy to do. Take care not to rinse contaminated water into unaffected eye or onto the face. If eye irritation persists: Get medical advice/attention.

**FOR INHALATION:** Remove source of exposure or move person to fresh air and keep comfortable for breathing. If breathing is difficult, trained personnel should administer emergency oxygen if advised to do so by the POISON CENTER/doctor. If breathing has stopped, trained personnel should begin rescue breathing or, if heart has stopped, immediately start cardiopulmonary resuscitation (CPR) or automated external defibrillation (AED). If you feel unwell/if concerned: Get medical advice//attention.
