

SLIPPERY STUFF™ SILICONE SPRAY LUBRICANT

SLIPPERY STUFF™ is a premium non-staining formula that lubricates and eliminates squeaking and binding caused by friction. Its film is clean and highly resistant to water. Lubricates metal, rubber, nylon and wood.

Use on rubber seals, doors and trunk lids to prevent freezing and sticking. Waterproofs electrical systems and ignition systems. Spray in door locks to keep them from freezing and working smoothly. Use on chassis rubber bushings to eliminate squeaks. Rustproofs and protects against corrosion.
