

AQUA SUDZ™ CAR WASH

A biodegradable liquid car soap formulated especially for the professional. Two ounces (or 2 capfuls) of AQUA SUDZ™ concentrate will provide mountains of suds which cut through and loosen dirt and grease, yet are gentle enough that they won't remove the vehicle's protective wax finish. Pleasant to use because it is gentle to skin. Special sheeting action guarantees rinsing is complete, leaving behind a streak-proof finish.

Directions:

FOR BEST RESULTS, DO NOT WASH VEHICLE IN DIRECT SUNLIGHT.

1. Into a clean empty bucket, mix 4 ounces of AQUA SUDZ.
2. Direct a strong stream of water at bottom of bucket and fill up to 5 gallons of water to develop a sudsy lather.
3. Use a sponge, wash mitt, or soft cloth to wash vehicle starting at the top. Hose off right away.
4. Dry with towel or chamois.

FOR AUTOMATIC CAR WASH APPLICATIONS: Follow manufacturer's recommendation or dilute ¼ to ½ ounce per gallon.

Product Number and Packaging:

- #20075C – 5 gal cube
- #200755 – 55 gal drum

WARNING: CAUSES MILD SKIN IRRITATION

PRECAUTIONS: If medical advice is needed, have product container or label at hand. Keep out of reach of children. Read label before use.
