### Directions:

Read and understand the SDS before using.

1. Use at room temperature for best results. Clean surface first with detergent and water. Rinse clean and let dry.
2. Mask areas not to be coated.
3. Shake can vigorously for 1 minute after mixing ball rattles to ensure color uniformity.
4. Test on an inconspicuous area or scrap piece for compatibility and color match.
5. Press spray nozzle firmly. Use steady, even strokes while spraying.
6. Apply light mist coats 6" – 12" from the surface. Allow 5 minutes between coats when needed.
7. After each use, turn can upside down and spray several seconds to clear spray head.

**SPECIAL NOTES:** Product dries to touch in 10 minutes at room temperature. Some vinyls and plastics take up to 48 hours for permanent curing.

**CARPETS:** Be sure carpet is dry. Apply light coats, brushing in between coats with a stiff nylon brush to keep fibers separated while drying. Repeat process until color is even. Make sure carpet is dry to the touch before applying additional coats.

### Product Number and Packaging:

#4010-01 – 12/CASE

**CONTENTS:** Toluene (108-88-3), Acetone (67-64-1), 2-Butanone (78-93-3), Blended Propane Isobutane (68476-86-8)

**HANDLING & STORAGE: DANGER. EXTREMELY FLAMMABLE. VAPOR HARMFUL OR FATAL IF SWALLOWED. CONTENTS UNDER PRESSURE.** Keep away from heat, sparks, and open flame. Do not smoke. Extinguish all flames and pilot lights. Turn off stoves, heaters, electric motors and/or other sources of ignition during use and until all vapors are gone. Avoid breathing vapors or particles in the air. Deliberately concentrating and inhaling the vapor of the contents may be harmful or fatal.

If in contact with skin, wash with soap and water. Avoid eye contact. If in eye contact, flush immediately with plenty of water for at least 15 minutes. Call a physician immediately. If swallowed, do not induce vomiting. Call a physician immediately.

High temperatures may cause the container to burst.

KEEP OUT OF REACH OF CHILDREN
