

# ONE 4 ALL with Lubricity

## DIESEL FUEL TREATMENT & CONDITIONER

ONE 4 ALL WITH LUBRICITY™ is an all season, organic based product formulated to add lubricity to low and Ultra-low Sulfur Fuels. In addition, it will improve fuel efficiency, increase power, reduce emissions, reduce engine wear, stabilize fuel and eliminate the harmful effects of water in the fuel.

### Directions:

For best results, use every time you fuel, adding contents prior to fueling. The fueling process will ensure complete and proper mixing. Use 32 ounces of **One 4 All™** for each 250 gallons of fuel (1:1000 treatment ratio). First time users can use 32 ounces for 125 gallons to speed the cleaning process. In extreme conditions (marine, high humidity, very cold weather) it is acceptable to use 32 ounces per 125 gallons dosage on a regular basis.

### Product Number and Packaging:

#8033 – quart, 12/CASE

**CLEAN DIESEL ADDITIVE:** This diesel fuel additive complies with the federal ultra-low sulfur content requirements for use in diesel motor vehicles (on-road) and non-road engines.

KEEP OUT OF REACH OF CHILDREN

**DANGER:** Combustible liquid. Contains petroleum distillates. Keep away from heat, sparks, or open flame. Harmful or fatal if swallowed.

### FIRST AID:

IF SWALLOWED: Rinse mouth. DO NOT INDUCE VOMITING. Call a physician or POISON CENTER immediately.

IF ON SKIN: Wash with soap and water. If irritation occurs, get medical advice/attention.

IF IN EYES: Rinse cautiously with water for 15 minutes. Remove contact lenses if present and easy to do.
