Directions:

1. Spray over the surface. (Unless using in direct sunlight, in which case always spray on a towel, not the surface.)
2. Gently wipe away any particles with a microfiber towel in one direction.
3. Flip to the clean dry side of the towel and buff away any visible streaks on the surface.

Product Number and Packaging:

216332 – quart, 12 per case
21631 – gallon, 4 per case
21635C – five gallon cube

For more information, consult the Safety Data Sheet (SDS).

FIRST AID INFORMATION

Inhalation: Remove victim to fresh air and keep at rest in a position comfortable for breathing.

Eye Contact: Rinse eyes cautiously with lukewarm, gently flowing water for 15 minutes, while holding the eyelids open. Remove contact lenses, if present and easy to do. Take care not to rinse contaminated water into the unaffected eye or onto the face. If eye irritation persists: Get medical advice/attention.

Skin Contact: Wipe off with a towel. Wash with soap and water. Get medical attention if irritation persists.

Ingestion: Rinse mouth. If you feel unwell/if concerned: Get medical advice/attention.
